Notes: Fall semester entrance cohorts include new freshmen who enrolled in the fall or in the immediately preceding summer term.
Prior to the 2009 cohort, students who entered PharmD, DVM, or MD programs without a bachelors degree were counted as "graduated" when they completed 120 credits. Eligible students are now awarded a milestone bachelors degree and are counted the same way as other graduates.
BANNER (Badger Aid for Non Residents) is a finacial aid program targeting institutional grants at the lowest income non-residents.
