New Proposals
39. Botany 265  Rainforests and Coral Reefs
Type: New Course
Reviewer: Fadl
Action: Unanimously Approved

40. Communication Arts 468  Producing for Internet TV and Video
Type: New Course
Reviewer: Kapust
Action: Conditionally Approved  - The proposer will be asked to be more consistent in describing
the course, is this a seminar, lab, lecture or discussion?  The committee is also curious about
whether Legal Services was consulted about the legal language used in the syllabus.

41. Consumer Science 567  Product Development Strategies in Retailing
Type: New Course
Reviewer: Brighouse
Action: Unanimously Approved

42. Counseling Psychology 755  Seminar on Meta-Analysis
Type: New Course
Reviewer: Brighouse
Action: Unanimously Approved

43. Curriculum and Instruction 774  Literacy Research Methods
Type: New Course
Reviewer: Kapust
Action: Unanimously Approved

44. Human Devel & Family Studies 465  Families & Poverty
Type: New Course
Reviewer: Howard
Action: Unanimously Approved
45. Kinesiology 690 Internship in Kinesiology  
Type: New Course  
Reviewer: Howard  
**Action: Deferred** - The proposer will be asked to clarify the number of contact hours associated with each credit. The proposal says that 4 hours/week equals 1 credit but there are no set requirements for student/instructor interaction and this is the basis for the federal credit hour definition. How does this course differ from general work experience, what makes it worth college credit? The course also needs a grading rubric if the course is going to be graded A-F (the committee recommends considering an S/U grading basis).

46. Literature In Translation 252 Spanish Literary Masterpieces in Translation  
Type: New Course  
Reviewer: Ingham  
**Action: Unanimously Approved**

47. Medical Physics 651 Methods for Neuroimaging Research  
Type: New Course  
Reviewer: Smith  
**Action: Conditionally Approved** - The proposer will be asked to clarify the relationship between this course and others on campus and make it clearer where there is overlap.

48. Music 152 Basic Concepts of Music 2  
Type: New Course

**Action: Unanimously Approved**

50. Nursing 657 Clinical Psychopharmacology  
Type: New Course  
Reviewer: Fadl  
**Action: Unanimously Approved**

51. Pediatrics 935 Surgical, Neurologic, & Complex Care of the Neonate  
Type: New Course  
Reviewer: Moser  
**Action: Unanimously Approved**

52. Political Science 330 Political Economy of Development  
Type: New Course  
Reviewer: Smith  
**Action: Deferred** - The proposer will be asked to address issues with the course component type, the out of class workload, the limited opportunities for students to receive feedback about their performance in the course and correction of typos in the course description.

53. Psychology 532 Psychological Effects of the Internet  
Type: New Course
