**Notes:**

- Low degree-producing programs are defined as those in which 5 or fewer degrees have been granted in the last 5 years.
- Excluded from this list are:
  1. newly implemented programs (within last 5 years)
  2. discontinued programs; those teaching out students
  3. masters or doctoral programs in which the corresponding graduate level program is not low-enrollment.
  4. Master's programs that do not allow admissions to the master's.
