Goal 7. Improve Accountability

Accountability for progress on Plan 2008 takes many forms, including:
• Diversity Forums, Best Practices sessions, break out sessions, and annual reports
• Plans, programs, and progress reports posted at www.diversity.wisc.edu
• Additional reports posted at www.apa.wisc.edu/diversity.html
• Annual reports and performance reviews for administrators, faculty, and staff
• Search committees training

Focus Goal: Assess student support programs and assure that participation in academic support programs is documented on the student record.

Many academic support programs have systematized and up-to-date records in ISIS, or are making progress to that goal. Examples include:
• Academic Advancement Program (AAP)
• Undergraduate Research Scholars (URS)
• Residential Learning Communities
• Chancellor’s Scholars
• PEOPLE
• POSSE
• Powers-Knapp Scholars

For Plan 2008 to succeed, faculty, staff and students must all contribute their time and energy. Campus-wide plans must be implemented at college and departmental levels. Members of the administration, as well as shared governance committees, will oversee the implementation of many of the recommendations in this plan. We will establish an oversight committee and mechanisms to help gauge progress. We will have accountability at all levels.
