RE: Formal Closure of the Walter J. Price Cheese Research Institute

This memo serves as the official notice of closure of the College of Agricultural and Life Sciences Walter J. Price Cheese Research Institute. The Institute no longer functions as a stand-alone intellectual, academic, or research unit. The activities, faculty, staff and budget lines for the Institute were absorbed into the Center for Dairy Research. The director and faculty support this closure.

The Walter V. Price Cheese Research Institute helped established the University of Wisconsin-Madison as a leader in dairy research.

This item appeared as an automatic consent item on the CALS Academic Planning Council agenda on April 17, 2015.
