Note: Beginning in Fall 1996, new freshmen admitted in summer terms retain their new freshmen status in the following fall semester, if still enrolled. For this reason, effective Fall 1999, applicants for both the summer and fall terms of each year are combined together for purposes of this table. Data on applicants for the summer terms of 1996, 1997, and 1998 are not available at this time.
