Notes:

- 1) Operating expenses for institutions in italics include the operations of large university hospitals.
- 2) Institutional support (per IPEDS) is a functional expense category that includes expenses for the day-to-day operational support of the institution. It includes expenses for general administrative services, central executive-level activities concerned with management and long-range planning, legal and fiscal operations, space management, employee personnel and records, logistical services such as purchasing and printing, and public relations and development. Also includes information technology expenses related to institutional support activities.
