**ANNUAL EXPENSES
[CDS G1]**

Please provide 2007-2008 academic year costs for the following categories that are applicable to your institution.

- Check here if your institution's 2007-2008 academic year costs of attendance are not available at this time and provide an approximate date (ie., MM/DD) when your institution's final 2007-2008

academic year costs of attendance will be available: /

Also, please update or verify your 2006-2007 academic year costs. List the typical undergraduate tuition, required fees, and room and board for a full-time undergraduate student for the **FULL** 2007-2008 academic year (use 30 semester hours or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits). A full academic year refers to the period of time generally extending from September to June, usually equated to two semesters or trimesters, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week or the maximum meal plan. **Required fees** include only charges that all full-time students must pay that are **not** included in tuition (e.g., registration, health, or activity fees.) Do **not** include optional fees (e.g., parking, laboratory use).

TO BE FILLED OUT BY PUBLIC INSTITUTIONS ONLY**2006-2007 AID AWARDED TO IN-STATE AND OUT-OF-STATE UNDERGRADUATES**

Please provide the percentage of students who were awarded each type of aid and the average individual aid package awarded to degree-seeking, full-time, first-time, first-year (freshman) students. For example, if you have 100 in-state, degree-seeking, full-time, first-time, first-year students and 50 of those students were awarded need-based aid, then the correct percentage would be 50%. The average package is the average amount of need based aid given out to the in-state, full-time, first-time, first-year, degree-seeking students who were awarded need-based aid.
